

Abrahaven is a spacious two-story home with four large bedrooms (two twin beds in each room), connecting baths, full kitchen, living room with fireplace, and deck on the upper level. A conference room (or gathering room) is located on the garden level

A place to gather in the living room or in the spacious and well-lit kitchen.

Or take some time to listen to the pines and the birds as you catch some of God's sunshine on the deck.

Then enjoy a quiet restful sleep after spending time on our prayer paths or writing in your journal.
